

# How to Register to Cubed Community

## Step 1

Go to [cubedcommunity.xcira.com](http://cubedcommunity.xcira.com)

## Step 2

Select the REGISTRATION button to begin registration process

## Step 3

Enter in your personal details to create your account.

To successfully register as a Dealer, your First and Last name MUST match the name of your Auction Access credentials.

If your auction house allows public bidding, enter in your personal details to create your account.

## Step 4

An account activation link will be sent to your email (the one you registered for Cubed Community.) Click the activation link in the email to activate your Cubed Account. If you do not receive an email, please make sure to check your junk folder. If it is not located in your junk folder, you can enter your credentials on the login page for Cubed Community and it will ask if you need the Activation link resent. Click RESEND ACTIVATION to receive the email again.

## Step 5

The activation link will bring you back to the login screen at [cubedcommunity.xcira.com](http://cubedcommunity.xcira.com). Enter in your email and password to enter Cubed Community to start bidding online!
