

How to Change Your Password in Cubed Community

Step 1

If you do not remember your password, click on the “FORGOT PASSWORD” button on the login page.

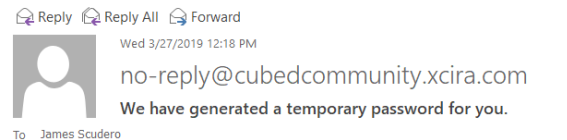

Step 2

Enter in your email address you forgot the password to and click submit. This will send a Forgot Password Reset link to that email address.

Step 3

You should now receive an email link from no-reply@cubedcommunity.xcira.com containing a hyperlink to reset your password. Click “Reset Your Password”

Dear James,
You may reset your password at the following link:
[Reset your password](#)

Step 4

You will be directed to a new page that will permit you to change your password. Please make sure to confirm password before clicking “Change Password”
